

Prior Notification Request

You also have the right to be informed prior to any application of an insecticide, fungicide or herbicide made in or at the school grounds or buildings during this school year, with the exception of bait or gel formulations. In certain emergencies, such as an infestation of stinging insects, pesticides may be applied without prior notice to prevent injury to students, but you will be notified following any such application.

At least 48 hours before an application, advance notification will be given by 1) posting at commonly used entrances to the facility and 2) by email. Advance notification flyers will be posted at the following commonly used entrances: main entrance.

The school leader is responsible for pesticide application procedures.

In addition to the above methods of notice, the parent/guardian is entitled to receive the notice by first-class U.S. mail postmarked at least 3 days before the application. If you need prior notification via U.S. mail, please complete the information below and send it to the school office.
